

In our 125th anniversary year, **STANLEY GIBBONS** — “the greatest name in postage stamps” are proud to announce that a most important collection of postage stamps will soon be issued in Great Britain and throughout the British Commonwealth to commemorate the Royal Wedding of H.R.H. The Prince of Wales and Lady Diana Spencer.

Magnificent Heirloom

This most happy occasion has already been greeted with universal acclaim and these very special Royal Wedding postage stamps will be eagerly sought after by the many thousands of stamp collectors, dealers and in particular, those wishing to have a truly magnificent heirloom and memento to enjoy over the years and pass on to their children and grandchildren.

In the past, complete Royal Wedding collections have proved extremely difficult to obtain even after only a few months, as certain items sell out early.

Guaranteed Supplies

As the world's largest and most respected stamp dealers, our buyers will secure a quantity of complete sets to ensure that our customers are guaranteed supplies of absolutely every genuine postage stamp commemorating this historic occasion.

These complete sets will be used to supply our existing customers and a limited number of additional orders, but as the enormous worldwide demand may exceed the limited supply, we strongly recommend that customers make firm reservations in advance, to avoid disappointment.

Remember, our limited supplies will be offered FIRST COME, FIRST SERVED at a SPECIAL INTRODUCTORY SELLING PRICE, basically at 25% over face value or cost. Once initial stocks are exhausted, we cannot guarantee supplies at these same preferential prices as we will be forced to buy scarcer items on the open market at prices that reflect their scarcity value.

SEND NO MONEY

Payment can be spread over several months

Our basic collections will comprise mint (unused) sets of actual postage stamps from British Commonwealth countries. Unfortunately, the total cost of each collection cannot be determined until all the face values are known, but payments will be spread to enable subscribers to build up a valuable collection with no single major outlay.

Please bear in mind, that although your order **now** will ensure supplies at our special introductory selling price, invoicing will not begin until the first stamp supplies arrive, around the time of the Wedding itself. Wherever possible, monthly mailings will not exceed £30 and payments may be made in cash, personal cheque or by any major credit card.

Free Album Offer

And now, to enable you to really treasure this special Royal occasion, Stanley Gibbons have commissioned a luxurious loose-leaf Album. Even though it will have a recommended retail price of £14.95, this will be given completely **FREE OF CHARGE** to customers booking a Special Collection at our Introductory Selling Price.

These beautiful albums are superbly bound and embossed in a material that looks and feels like real leather. Both the spine and the front cover are lavishly gold blocked and each fully illustrated page bears a superb colour motif and a brief technical description of the stamps.

Since this Album will illustrate in black and white every stamp in our magnificent British Commonwealth collection, it will also act as a pictorial checklist. Truly, an album of quality to reflect the importance of this historic collection.

Your free Album will be acknowledged on receipt of your order.

Forerunner Collection?

In addition to their immediate historical importance, these stamps could be of even greater significance to collectors in the years to come as forerunner collections — the first major issue of a future Monarch . . . ?
